Agenda Items for Discussion:

1. Progress Report – Road Dept. building
2. Change Orders
3. Pay Apps

Meeting Summary/Narrative:

Meeting occurred at the Road Dept. Steel is up. Demo to start on existing salt barn this week. Footers being poured currently. Change order recommending damp proofing and drains. Architect said it should have been included in the original plans.

Recommendations:

Change order – spray it ourselves and put in a drain. Need to look at a credit going from a slick finish sealed floor to a brush finish non-sealed. OHM will reimburse \$2,750 or change order.
