Meeting Summary/Narrative:

The contract from Dept. of Corrections was reviewed and discussed with only one minor edit as to the contact information for the jail.

The emergency plan for the jail needs to be updated as it currently reflects that in case of an emergency and the inmates needed to evacuate the jail, that the inmate population would go to the Civic Center. The Civic Center is no longer in existence. There was a suggestion made of contacting the Boone Center (National Guard) in Frankfort to see if there would be a location on their grounds to house inmates if an emergency situation were to exist. Those discussions will occur over the next several days. Transportation for the inmates to another location in an emergency situation was also discussed.

Recommendations:

Contract with Dept. of Corrections and the Franklin County Regional Jail re: SAP will be on the next Fiscal Court agenda (June 6, 2024) for discussion and approval. Vendor discussions will take place after the court's approval of the contract and the vendor MOU/agreement will be on the June 26, 2024 fiscal court agenda for discussion/approval.
