Guests Present:

1. Justin Carmack

Agenda Items for Discussion:

- Project Update
- New Equipment
- Wage concerns for retaining and recruiting staff
- Update on county road repair
- Equipment update "truck beds"
- Fuel tanks

Meeting Summary/Narrative:

- Pole Barn – Construction completed last week. Paving is the last step. It should be paved Tuesday after Labor Day. Pole Barn change order
- New equipment – Excavator is on hold for a month.
- Starting wages need to be increased. Possibly change CDL requirements. Adjust wages to start higher and then adjust others that were hired on the old scale.
- Update on county roads – Ninevah and Hickory Ridge. Dump beds will be ready at the end of the month. Harvieland Road property someone would like to put a road in and it is owned by the county.
- Fuel tanks – No emergency fuel shut off. Electrician is coming back.
