### **Agenda Items for Discussion:**

1. Equipment for Fire, Sheriff and Road Depts 2025/2026
2. Outlying Buildings Maintenance Updates

### **Meeting Summary/Narrative:**

- Fire: New command vehicle almost done. New boat should be here next week. New UTV skid unit is done. New generator for Fire Station 8 will be Jan. 2026. FD has 9 sets of ballistic gear in service currently.
- Sheriff: SROs will start back a week early and will start training Dec 2025. Still rotating cars to keep maintenance low. New radio upgrades for both fire and police. May add a tower to the St Johns area.
- Roads: 2026 will need new tractor/batwing. Long term vehicles are good right now.
- Greg Frye gave updates on maintenance needs for outlying buildings 2025/2026 such as roofs, paint, plumbing, generator for the pumphouse, and updates for 315 W. Main St.

### **Recommendations/Next Steps:**

Squire Tanner recommends creating a shared file for Fiscal Court members to track updated inventory items.
