Agenda Items for Discussion:

E911

Active Shooter Training

New Radio and Dispatch Equipment

Meeting Summary/Narrative:

- E911 – County/City continue to work on interlocal agreement possibly Feb/March
- Active Shooter Training – All county buildings have had site assessments. First training scheduled Sept 25, 4:00 PM at County Clerks Office. Andrew, IT will video each building to use future employee training
- Scott, Kenwood Rep presented the NXDN simulcast radio system. This system uses multiple transmitters operating on the same frequency to provide wider, more reliable coverage, eliminating the dead zones found in traditional systems. This system would be used for both County and City public safety communications.
